FROM:

executive Officer to the DDA

SUBJECT:

FY 1984 Research and Development Program

- Attached is the DDS&T call for FY 1984 Research and Development (R&D) requirements which requests that Directorate submissions be made to the S&T by 1 August 1981. The requested content and format of your submission are nearly identical to those used last year.
- The Directorate of Administration will again be using the members of the R&D Panel (currently composed of OC, ODP, and OS representatives) to develop an initial priority ranking. In order to develop a consolidated Directorate program, we will need your individual office submissions by 24 July 1981.
- 3. As with last year, we ask that, in addition to the information requested by the S&T, you include a note which indicates whether this is a new or an ongoing requirement.

4. If you have any questions contact Management S	on this matter, please staff, extension
